Objective

- To obtain an internship in Computer Science for summer 2021

Education

- **Texas A&M University**, College Station Texas, '22 GPA 3.7
- Bachelor of Science in Computer Science
- Minors: Cybersecurity, Game Design
- Relevant Coursework: Data Structures & Algorithms, Computer Organization/Architecture, Discrete Structures for Computing, Intro to Computer Systems

Technical Skills

- Proficient: Python, C++, SQL
- Familiar: Java HTML, CSS, JavaScript, LaTeX/Lyx, R-Studio.
- Soft Skills: Leadership, Group Work, Conflict Resolution, Agile Development.

Personal Projects

Network TCP/IP Request Channel Program Nov 2020

- Developed a program to send files over LAN networks using the Linux socket and netdb system C++ libraries.
- Implemented self made TCP/IP request channels, multithreading, and event polling.
- Tracked data transfers over the network with histograms showing transfer progress.

Weather Driving Route Application Nov 2020

- Worked with a team to develop a routing application designed to route drivers around bad weather using the Agile development process.
- Developed with multiple API integrations, JS, HTML, CSS, and github workflow.

PostgreSQL Database Management Sept 2020

- Worked with a team to develop a functional database and database application to store large dataset information.
- Learned the ins and outs of PostgreSQL commands; From creating tables to complex queries.
- Developed a Java Application to allow easy querying from the database for a client.
- Developed Python scripts to parse and insert data correctly.

Leadership

DJs of Aggieland, Texas A&M University, Officer Sept 2019 - Present

- Gave presentations at club meetings to announce activities and announcements.

F.E.A.S.T, Texas A&M University, Member Sept 2018 - May 2019

- Devoted personal time to improve leadership skills through service activities.

Work Experience

Lowe's Companies, Bee Cave, Texas, Customer Service Associate Jun - Aug 2018

- Assisted with customers on the sales floor.
- Adhered to customers questions and concerns in a helpful and respectful manner.
